

GOSPORT MODEL YACHT AND BOAT CLUB (GMYBC)

General Data Protection Policy

As you will be aware, the new EU General Data Protection Regulations (GDPR) comes into force from 25th May 2018, when the current UK Data Protection Act 1998 will be superseded. GMYBC want to assure the members that we handle your data professionally, securely and in accordance with the upcoming new regulations.

As a reminder of the personal information we hold:

- Your name
- Your date of birth
- Your address
- Your contact telephone numbers (mobile/landline or both)
- Your email address
- Your emergency contact person telephone numbers
- Your medical conditions if declared on your membership application form

We use this:

- To perform the duties to run the GMYBC on behalf of members
- To contact our members to inform them of any club related business
- To apply for your MYA membership if requested on your membership application form

What we do NOT do is:

- Sell your contact data.
- Pass on your details to any 3rd party without any prior consent

Your privacy is important to us, and we want to communicate with our members in a way that is only necessary to fulfil our duties as the GMYBC Executive Committee (EC).

Your personal data will not be used in any other way apart from club duties.

Each year you will be asked to renew your membership by completing the club membership form and this form will contain the only data that we hold about you in order to run the club effectively - a sample of such form is available on the GMYBC website.
